

INTERVIEW

Lisa Paullada
College Secretary

Phoenix College

Tell us a little about your time as a receptionist?

I was lucky to get the job as a receptionist at Phoenix College through a mutual friend of the owners. My time here as Phoenix College receptionist has been great. It's a relatively new school so we have all more or less built up our departments. I was lucky to have come from a School background as I have been a TEFL teacher for over 25 years and I have also owned two of my own English Language Schools, so adapting to this environment was easy for me.

What do you enjoy most about Phoenix College?

What I most enjoy about Phoenix is the atmosphere, the fact that it is a relatively small school, so everyone knows each other, there is a very relaxed and happy vibe here.
